Q-2007-RK

Front view with Dell 2007 FPb

Rear view

This rackmount kit is 8U or 14.00" high. It is specifically designed for the Dell 2007FPb 20.1" monitor.

This rackmount kit is priced at \$249.00 each, including the Q-100mm-1 spacer block. When assembled with a monitor, it can create the most cost-effective solution for a large rackmount display.
